

Frequently Asked Questions (FAQs) About Free and Reduced-price School Meals in the National School Lunch Program (NSLP) and School Breakfast Program (SBP)

Dear Parent/Guardian:

During the transition back to normal school operations in school year 2022-23, the Waterford Country School has opted in to the School Meals Assistance Revenue for Transition (SMART) funds providing meals (breakfast and lunch) at no cost for all students at the beginning of the school year. When the SMART funds are exhausted, your student will still receive all meals at no charge for the remainder of the school year.

Completing and submitting an application will help our school secure additional reimbursement funds through the National School Lunch Program (NSLP). As a nonprofit agency, these resources are extremely valuable to us and help us provide quality, free nutritional meals for your student.

This packet includes an application for free and reduced-price meal benefits and detailed instructions.

Note: Children receiving Supplemental Nutrition Assistance Program (SNAP), Temporary Family Assistance (TFA) or Medicaid (HUSKY A) benefits *may* be directly certified and automatically eligible for free meals without applying for benefits. (Some children who receive Medicaid (HUSKY A) benefits **may** also be directly certified and automatically eligible for *reduced-price* meals.) Questions regarding SNAP/TFA/Medicaid and direct certification should be sent to the determining official, **Lisa Kuhn, (860)442-9454 extension 4131.**

If you have received a NOTICE OF DIRECT CERTIFICATION for free or reduced-price meals, please **do not** complete the application unless instructed to do so by the district. Let the school know if any children in your household are **not** listed on the **Notice of Direct Certification** letter you received.

Additionally, the Waterford Country School complies with the federal requirements for meal modifications for children with special dietary needs. The requirements for meal modifications are different for children with and without disabilities. For more information, please contact the food service director, Lisa Kuhn at (860)442-9454 extension 4131.

The answers to the common questions below can help you with the application process.

1. **Who can get free or reduced-price meals?**

- All children in households receiving SNAP or TFA benefits are eligible for free meals. Note: *Some* students receiving Medicaid (HUSKY A) benefits are eligible for free or reduced-price meals.
- Foster children that are under the **legal** responsibility of a foster care agency or court are eligible for free meals. (Note: A foster child is categorically eligible for free meals and may be included as a member of the foster family if the foster family chooses to also apply for

benefits for other children. Including children in foster care as household members may help other children in the household qualify for benefits. If non-foster children in a foster family are not eligible for free or reduced-price meal benefits, an eligible foster child will still receive free benefits.)

- Children participating in their school’s Head Start program are eligible for free meals.
- Children who meet the definition of homeless or runaway are eligible for free meals.
- Children may receive free or reduced-price meals if your household’s income is within the limits of the Federal Income Eligibility Guidelines. Your children may qualify for free or reduced-price meals if your household income falls at or below the limits on this chart:

2. **How do I know if my children qualify as homeless or runaway?** Do the members of your household lack a permanent address? Are you staying together in a shelter, hotel, or other temporary housing arrangement? Does your family relocate on a seasonal basis? Are any children living with you who have chosen to leave their prior family or household? If you believe children in your household meet these descriptions and you have not been told your children will get free meals, please call or e-mail **Emily Soares at esoares@waterfordcs.org**.

3. **Do I need to fill out an application for each child?** No. Use **one** *Free and Reduced-price School Meals Application* for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to Lisa Kuhn, 78 Hunts Brook Road, Quaker Hill, CT 06375, (860)442-9454 extension 4131.

4. **Should I fill out an application if I received a letter this school year saying my children are already approved for free or reduced-price meals?** No, but please read the letter carefully and follow the instructions. If any children in your household were missing from your eligibility notification, contact immediately, Lisa Kuhn, 78 Hunts Brook Road, Quaker Hill, CT 06375, (860)442-9454 extension 4131 or email lkuhn@waterfordcs.org.
5. **Can I apply online?** Yes. You are encouraged to complete the electronic online application instead of a paper application if you are able. The online application has the same requirements and will ask you for the same information as the paper application. Visit lkuhn@waterfordcs.org to begin or to learn more about the online application process. Contact Lisa Kuhn, 78 Hunts Brook Road, Quaker Hill, CT 06375, (860)442-9454 extension 4131 or email lkuhn@waterfordcs.org.
6. **My child's application was approved last year. Do I need to fill out a new one?** Yes. Your child's application is only good for that school year and for up to 30 operating days into the new school year (or until a new eligibility determination is made, whichever comes first). When the carryover period ends, unless you are notified that your children are directly certified or you submit an application that is approved, your children's meals must be claimed at the paid rate. Though encouraged to do so, the LEA is not required to send a reminder or a notice of expired eligibility.
7. **I have not submitted an application within the past two years. Do I need to fill out a new one?** Yes. Your child's application is only good for that school year and for up to 30 operating days into the new school year (or until a new eligibility determination is made, whichever comes first). When the carryover period ends, unless you are notified that your children are directly certified or you submit an application that is approved, your children's meals must be claimed at the paid rate. Though encouraged to do so, the LEA is not required to send a reminder or a notice of expired eligibility.

8. **I get WIC. Can my children get free meals?** Children in households participating in WIC may be eligible for free or reduced-price meals. Please send in an application.
9. **Will the information I give be checked?** Yes. We may also ask you to send written proof of the household income you report.
10. **If I don't qualify now, may I apply later?** Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced-price meals if the household income drops below the income limit.
11. **What if I disagree with the school's decision about my application?** You should talk to school officials. You also may ask for a hearing by calling or writing Ankita Vachhani, 78 Hunts Brook Road, Quaker Hill, CT 06375, (860) 442-9454, extension 4112.
12. **May I apply if someone in my household is not a U.S. citizen?** Yes. You, your children or other household members do not have to be U.S. citizens to apply for free or reduced-price meals.
13. **What if my income is not always the same?** List the amount that you **normally** receive. For example, if you normally make \$1,000 each month, but you missed some work last month and only made \$900, put down that you made \$1,000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
14. **What if some household members have no income to report?** Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. When this happens, please write "0" in the field. However, if any income fields are left empty or blank, those will **also** be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you **meant** to do so.
15. **We are in the military. Do we report our income differently?** Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food or clothing, or receive Family Subsistence Supplemental Allowance payments, these must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment is also excluded from income.
16. **What if there isn't enough space on the application for my family?** List any additional household members on a separate piece of paper and attach to your application. Contact lkuhn@waterfordcs.org to receive a second application.

17. **My family needs more help. Are there other programs we might apply for?** To find out how to apply for SNAP benefits and to contact the Department of Social Services office in your town, contact United Way's free referral number **2-1-1** (free call, statewide).

If you have other questions or need help, call (860)442-9454, X4131.

Addendum C: Information on the Supplemental Nutrition Assistance Program (SNAP)

Dear Parent/Guardian:

If your children qualify for free school meals or milk, you might also qualify for **SNAP** (formerly called Food Stamps). SNAP helps people buy food for themselves and their families. SNAP benefits are issued each month on plastic debit cards. You can use SNAP benefits to buy food at major supermarkets, neighborhood grocery stores, and some farmers' markets authorized to accept SNAP.

How to Qualify

If and how much SNAP you qualify for depends on:

- your household's income;
- allowable deductions to your household's income (examples include monthly shelter expenses, medical bills, and court ordered child support);
- your household size; and
- at least 5 years U.S. residency for qualified non-citizens.

If you have access to the Internet, you can go online to see if you may be eligible for SNAP. Go to

www.connect.ct.gov and click "Am I Eligible?"

Owning your own home or owning a car will not prevent you from being eligible for SNAP.
